(2) The Customs Regulations concerning the maintenance of inventory control and recordkeeping systems covering merchandise in the foreign trade zone or subzone. If the principal defaults and the default involves merchandise other than domestic merchandise for which no permit for admission is required, the obligors (principal and surety, jointly and severally) agree to pay liquidated damages equal to the value of the merchandise involved in the default, or three times the value of the merchandise involved in the default if the merchandise is restricted merchandise or alcoholic beverages, or such other amount as may be authorized by law or regulation.
